Office of the Deputy Commissioner,

No. 1132 24 / Revenue — Dated Hassan, the 24th January 1925.

From

R Nanasamy Rao, Esquire.,

Deputy Commissioner, Hassan District.

To

Secretary to the Government of H H the Maharaja of Mysore

Local and Legislative Departments,

Bangalore.

Sir,

I have the honor to acknowledge receipt of your letter No. L.5327/Ml.151-24-2 dated the 23rd instant re special arrangements to be made during the ensuing Mahamastakabhishekam ceremony at Sravanabelogola and to state that necessary instructions have been issued to the Amildar President of the Sravanabelogola Municipality in the matter. A copy of instructions issued for the guidance of the several Officers of the District with regard to the several arrangements to be made for the occasion is also enclosed herein for information.

2. With regard to the funds required for expenses connected with the Sanitary arrangements etc., to be made and the establishment therefor during the Jatra, I have called for detailed proposals from the Amildar President of the Municipality and on receipt of his report, I shall address you again on the subject in a week. I may however mention that in view of the fact that communication has greatly improved now, the concourse of people during the Jatra will be considerably ~~longer~~ larger than that of 1910, and the arrangements have to be made on a much larger scale, and adequate establishment will be necessary. I see from the statement received with your letter under reference that only one Sanitary Inspector had been entertained on the previous occasion in 1910. I do not think that a single hand can cope with the work on the present occasion. ~~The Amildar President~~

P T O

15

The Amildar President has proposed to entertain 2 Sanitary Inspectors at least. But I think all the arrangements could be more satisfactorily attended to, if we have 3 Sanitary Inspectors for a couple of months and I have, in anticipation of sanction drafted for special duty two revenue officials who have received training in Sanitation and who are said to be conversant with work required on such occasions. I request that my action may kindly be approved by Government.

I have the honor to be,

S i r,

Your most obedient servant,

Deputy Commissioner,

Hassan District.

Memo of points for attention in connection with the arrangements to be made for the ensuing Mahamasthaka Abhishekam Ceremony at Sravanbelagola in February and March 1925.

@&@&@&@&@&@&@&@&@&@&@&@&@&@

According to the Amildar's report No. 183 dated 3rd Dec. 1924, the ceremony will last for nearly 16 days from 27-2-1925 to 16-3-1925 and about 10,000 people are expected to assemble at the place on the occasion. The influx of people may commence from about the 2nd week of February next.

2. The arrangements to be made for the occasion with regard to Public Health, convenience and safety and the successful performance of Mahamasthakabhishekam, relate, as broadly classified to (1) Muzrai, (2) Municipal and (3) Judicial Departments.

(1) Arrangements to be attended to by the Muzrai Department.-

3. (a) ~~The~~ The Swamigalavaru of the Jain Matt, has, it appears, formed a Committee consisting of 24 Members with the Swamigalavaru as President and Mr. M L Vardhamaniah of Mysore as Secretary thereof, for the management of affairs connected with the ceremony. Still, as the Matt is a Muzrai Institution under the management of Government, the Government also have to supervise the affairs, and as the Chief Local Officer of Government, the Amildar of the Taluk is responsible for it. He must ascertain from the Swamigalavaru, the programme of events connected with the ceremony and see that the function is carried out successfully without room for complaints. With regard to receipts and expenditure of money other than the subscriptions raised by private arrangements by the Committee appointed by the Swamigalavaru for the purpose, in connection with the ceremony the Amildar should see that they are properly accounted for. The collection of Kanikes offered to the diety at the temple should be properly supervised and the Amildar may depute one or

17

one or two of his Taluk officials for the purpose. The Swamigalavaru is reported to have been already paid by the Amildar, a sum of R$1549-11-9 being the surplus of realisations made on the previous occasion of Mahamasthakabhishekam in 1910, which had been deposited in the Government Savings Bank in the name of the Amildar. A further sum of R$5000/- has been asked for by the Swamigalavaru out of the surplus balance of the income of the Matt held in trust by Government and it has been recommended to the Muzrai Commissioner for sanction. These and other amounts sanctioned for the expenses for the ceremony should be treated as advance subject to their adjustment on a proper bill by the Amildar in due course. The Amildar should communicate with the Swamigalavaru and get detailed accounts of expenditure incurred out of such amounts sanctioned for the ceremony.

(2) Arrangements to be made by the Municipal Council with regard to Sanitation etc.

(4) Under Government Order No. L. 1956-67/L B. 114-20-10 dated 28th August 1922, the Municipal Council are responsible to make satisfactory arrangements for public health and convenience. The Amildar President of the Municipality should place the matter before the Municipal Council and get their resolutions passed on all the points in detail. The points requiring attention are -

(1) Alignment of pilgrim camps.

(2) Facilities for supply of drinking water.

(3) Conservancy.

(4) Lighting.

(5) Accommodation for cattle etc.

(6) Medical Aid.

(7) Arrangements for collection of special fees etc., during the Jatra.

(8) Proper maintenance of Roads.

16

(9) Accommodation for temporary Dispensaries etc.

(a) Alignment of pilgrim camps -

The camping ground should be selected and marked out at once in convenient blocks, for (1) residential purposes, (2) shops etc., separately in consultation with the Municipal Councillors and other leading gentlemen of the place, strictly in conformity with Sanitary principles. There should be no conjestion in making out sites for residential purposes.

(b) Facilities for supply of drinking water -

Immediate steps are also necessary to provide good water supply In addition to the Thavarekatte temporary wells may be sunk at convenient centres and the sample water of all sources of water supply sent to the Chemical Examiner forthwith and got examined by him before they are allowed to be used. Chemicals for hankinizing water when necessary may also be stocked, Notice boards may be put up in English and Kanarese against contamination of water near every source of water supply. If necessary, men may be kept to watch the watering places.

(c) Conservancy.

The Municipal Council have to maintain adequate establishment of sweepers, scavangers etc , during the Jatra. The President has not yet sent up proposals in this behalf. He should do so at once, and import men from Bangalore or elsewhere if necessary in communication with the Presidents of those Municipal Councils or other Officers concerned. Sufficient number of public latrines must be provided and notice boards against commission of nuisance in other places put up at important centres.

(d) Lighting.

The number of lights to be provided should be decided by

decided by the Municipal Council. It would be better if some gas lights are provided at important centres.

(e) Accommodation for cattle.

Accommodation for cattle, carts etc , that come to the Jatra should be provided at a reasonable distance on the rear side of the camping ground and cattle, carts etc., should on no account be allowed within the gathering of the people.

(f) Accommodation for temporary~~dx~~ Dispensaries of men and Cattle and for location of temporary Police Out Posts.

Two temporary huts with two blocks (one big and one small) or other suitable accommodation for dispensaries of men and cattle may be provided separately at convenient places, Two other temporary huts may also be got up at a distance from the town for segregation of patients suffering from infectious diseases.

Temporary sheds for location of temporary out posts are also necessary and the number of such sheds and the localoty at which they have to be constructed should be decided in consultation with the District Superintendent of Police.

(g) Proper maintenance of roads within the Municipal Limits.

When the Undersigned visited Sravanbelagola on the 11th instant, it was noticed that the roads in the town were in disrepair. They may be put in order to withstand the heavy traffic during the Jatra.

(h) Arrangements for collection of Octroi, toll and fees on shops etc., during Jatra.

It has been proposed by the Municipal Council to open temporary Toll Gates and levy tolls and fees on shops etc , during the Jatra sanctioned The orders of Government are awaited in the matter. The sites on which toll gates have to be opened and whether the right of collection of tolls and fees etc., should be sold by public auction or worked on

worked on Amani should be decided by the Municipal Council an d further needful action taken in that behalf. With regard to the collection of Octroi, a special temporary staff has already been sanctioned as proposed by the Amildar President.

Asthere is very little time before us, the Amildar President should immediately call for a special meeting of the Municipal Council and see that all the questions are decided and necessary arrangements made before the influx of people commences, which is expected to be by the 15 of February. He should submit to this Office by the end of this month a sketch showing (1) camping grounds for residential and other purposes separately, (2) sites on which temporary wells are or will be sunk, (3) accommodation for dispensaries etc , with a detailed report on the sanitary arrangements etc made so far.

III. Arrangements to keep order and maintain Public Peace.

The District Superintendent of Police is responsible for Police arrangements. He will be given additional establishment for the occasion. Temporary Out Posts should be located suitably so as to secure proper patrolling the highways leading to Sravanbelagola and the Sravanbelagola Town and prevention of crimes. It is necessary to post sufficient number of men on the hillock on which the image of Sri Gomateswara Swami is situated to prevent accidents during the Jatra. On the Janivara village tank bund where the road is narrow, men should be posted to regulate traffic. A short note on the Police arrangements made may be submitted by the District Superintendent of Police to the undersigned by the first week of February, along with a sketch showing the location of out-posts etc.

A recommendation has been sent up for the establishment of a Special Court presided by a First Class Magistrate with

Magistrate with Summary powers at Sravanabelogola for the occasion. The Amildar should arrange for accommodation for locating the Court.

6. Miscellaneous.

It is likely that some Provincial Officers and other high personages may visit Sravanabelagula on the occasion. The Amildar should arrange for their camps. To provide accommodation for them, the several local officers in the District will be requested to spare their tents. The Amildar should maintain a sufficient stock of wooden pegs required for pitching them up and he must also have some buildings materials ready for running up at least half a dozen temporary sheds for kitchen and other purposes if necessary. Necessary arrangements should also be made for supplies to Government Officers on payment.

The road on Janavara tank bund is very narrow. The Executive Engineer will be requested to arrange for widening it at some points at least as a temporary measure and putting up Caution Boards regulating the traffic and speed of Motors on the tank bund.

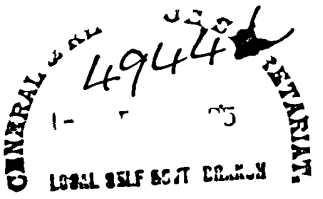
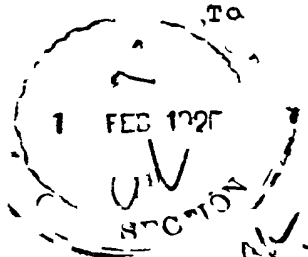
R Nanasamy Rao, Esq.,
Deputy Commissioner,
Hassan District.



To

B. Nagappa, Esq., Bar-at-Law.,
Secretary to Government,
Local and Legislative Departments,
B a n g a l o r e.



Sir,

Rev 151-24-4

In continuation of my letter No. 1132-24/0 C. dated the 26th instant re the arrangements to be made at Sravanabelogola, during the ensuing Mahamastakabhishekam Ceremony at the place, I have the honor to forward herewith a statement showing the estimated income and expenditure during the Ceremony for favour of sanction of Government.

2. From the Government Order No. 7707-/L.B. 238-09-4 dated the 2nd March 1910, a copy of which was received with your letter No. L. 5327/Ml. 151-24-2 dated 23rd January 1925, it is seen that on the last occasion of Mahamastakabhishekam Ceremony in 1910, the levy of Tolls on (1) laden conveyance (2) empty conveyance and (3) laden arimal was sanctioned. Now, that there are different kinds of vehicles in use, which are likely to pass through Sravanabelagola on the occasion, the Amildar President of the Municipality proposes that toll may be levied on the marginally noted vehicles and animals also at the rates noted against each. In view of the fact that the gathering of the people on the occasion would be larger than that of

1. Horse.	.	1- 0- 0
2. Motor Cars.	...	1- 0- 0
3. Motor Cars and Bus plying for hire.		5- 0- 0
4. Bicycle.	...	0- 2- 0
5. Elephants.	...	1- 0- 0
6. Camels.	...	0- 4- 0

than that of 1910 and arrangements for public safety and convenience have to be made on a more elaborate scale at considerably heavy cost, I agree with the Amildar and request sanction of Government to levy tolls on all vehicles and animals entering the Municipal limits in accordance with Schedule II of Section 59 (iii) of the Municipal Regulation. Except the very common motor cars which may be more reasonably be passed at Rs 1-8-0 or Rs 2/-

3 With regard to the expenditure for arrangements, it is estimated by the Amildar at R$3200/-. Except with regard to the expenditure on account of temporary establishment of Sanitary Inspectors, the expenditure estimated for by the Amildar President is quite moderate and may be accepted. As for the Sanitary Inspectors, that as one Sanitary Inspector cannot cope with the work, one Sanitary Inspector from the District Board and another official from the Revenue Department for special duty have been drafted for work and the pay and conveyance and travelling allowances of these two officials have to be given. The total expenditure may therefore come up to about R177/- Allowing a margin of R$500/- for unforseen expenses, I request that a sum of R$3870/- may kindly be sanctioned for the occasion, and a sum of R$2000/- advanced from the State Fund to meet the expenditure.

4. I enclose herein a copy of the Amildar President's No. 186 dated 26th January 1925 under reference and solicit the favour of early orders of Government in the matter.

I have the honor to be,

S i r,

Your most obedient servant,

Sir,

Adverting to Government Order No L.5879-900/M1 151-24-5 dated the 10th February 1925 according sanction to the levy of toll on vehicles etc , during the ensuing Mahamastakabhishekam ceremony at Sravanabelagola, I have the honor to state that in the Government Order under reference, the rate of toll to be levied on horse is fixed at Re 1/- per head, while, it is one and two annas for a pony and horse respectively, as per schedule II of Section 59 (iii) of the Mysore Municipal Regulation. Further, it is not also clear from the Government Order whether toll may be levied on spring vehicles and other conveyances referred to in the said schedule.

2. In these circumstances, I request the favour of clear orders of Government in the matter. As the rate of Re.1/- per horse as now sanctioned appears to be high, the Government may be pleased to reconsider the matter and reduce the rate to one and two annas per pony and horse respectively.

3 The Amildar President of the Sravanabelagola Municipal Council reports that arrangements have been made to levy the toll on horse at the schedule rate. His report No. 237 dated 15th February 1925 on the subject is enclosed herein for

P T O

for information and favour of early orders of Government.
